After looking again, I also found another phone number for Lupita. I gave her a call, and found out it was her cell.

(213) [REDACTED]

She said you can reach her at this number.

I will also try to update her contact info myself so that you can have access to it immediately.

Amy

Hello Carol,

I found both of these contacts in SBA. Let me know if you have trouble reaching them, or if you need anything else.
